A. Academic Qualifications

Courses	Description
Communication ethics	This course prepares to create good moral values for students. Ethics must be truly owned and applied by every student, as the main capital of morality in life in society. Good ethics, reflect good behaviour, while bad ethics, reflect our bad behaviour and will create an output that is in the form of assessment in society.
Public Relation	The course explains how to maintain company image and communication to outsiders. Students will learn to convey a message or interact on behalf of the company to customers through various media.
